

Version 12 / 28.07.2016

PS4009 VIKING Approved Immersion Work Suit, SOLAS/EC approved

A good work suit for situations involving either fire danger or immersion in cold water.

The design features of this suit include elastic intake with zipper on the outer leg as well as an attached hood in the sleeve pocket.

The Immersion Work Suit has Kevlar® reinforcements on the knees and Cordura® reinforcements on the seat area for durability and you can choose either socks or boots for footwear.
